Subject: CES Environmental Services Door-to-Door

In response to community concerns, the Texas Department of State Health Services (DSHS), Health Assessment and Toxicology Program (HAT) staff will be visiting residents in the neighborhood near the CES Environmental Services site (4904 Griggs Road, Houston). The purpose of the visit is to gather residential concerns that are related to the site. We will be in the community November 19-20, 2014. We can be reached at 512-981-8397. The attached door flyer will be distributed.

Please forward this information as needed and contact me if you have any questions.

Thank you,
 David
